## Securitas Environmental Monitoring Custom View and Preferences Setup Tip Sheet

## How to set up a custom dashboard view for Environmental Monitoring in MobileView Application:

1. In MobileView web application version 5.6 and above, we have the ability to create custom views for Environmental Monitoring. First Login to application using the web link below with your NetID Credentials:

https://freezermonitor.its.yale.edu

2. From the Environmental Monitoring Application Home Screen, click the three bars in the upper left to reach the Configure Views screen.

3. From the Configure Views sidebar click the "+CREATE VIEW" Link.

Secu Healt	hcare Environmental	Monitoring	▼			<b>n</b>
+	CREATE VIEW		≡			
J	All Assets System Default View	<b>†</b> :	All Assets		All (59)	<b>(</b> 2)
			Asset Name 🔸	Location	(i) Alerts	Temperature
			YSB / 260 Whitney Ave138_2	Yale Science Building/Floor 1/		-22.76 °C
			YSB / 260 Whitney Ave138_1	Yale Science Building/Floor 1/		-80.33 °C
			YHC / 55 Lock St_4245_1	Yale Health Center/Floor 4/Fl		5.35 °C
			YHC / 55 Lock	Mala Haaldh Oantan/Elaan (/El		5 00 10

4. The Create View menu will appear on the right-hand side of the screen. Give the view a name and optional description. In this example we will create a view for the Test Department.

In the Data Filter Section, select Departments. Then scroll down and search for the Test Department and select it.

×	Create View	~
Enter a view name Test Departme	ent	
Enter a view descri This is a test of	<sup>ption</sup> ustom view for test department.	11

7. To make this your default view, Click the three bars in the top left of the screen again to access the View sidebar. Click the 3 dots next to your View and click "Set as Default".

## How to set up change preferences for Environmental Monitoring in MobileView Application:

To change the Time Zone, Date Format, or Temperature Units. Click the drop-down menu with the gear symbol in the upper right side of the screen. Then select My Settings. From the My Settings Menu click on the Locale tab. Select the desired preferences settings from the drop-down menu. Click OK to save settings. You must log out and back in for changes to take effect.
